

CONDITIONS FOR THE ACCESS TO SHOWS

New Coronavirus (CoViD-19): in consideration of the current situation linked to the spread and attempt to limit COVID-19 in Italy and following the legal provisions for the resumption of activities, it is necessary to present TO the staff in charge a self-declaration in which is stated that the conditions listed below are met:

- has NOT had close contact in the last 14 days with people with confirmed Corona Virus / Covid19 infection or subjected to a Covid-19 swab pending result;
- DOES NOT have close contacts with people subjected to authority by self-isolation certificate measures related to the CoViD-19 emergency;
- DOES NOT present breathing difficulties, diarrhea or loss of taste / smell;
- has NOT had close contacts, in the last 14 days, with people who report the health requirements observed contagiously;
- Has NOT served in the past 14 days in healthcare roles associated with the infection
- Contacted the treating physician before resuming activities after ending a period of illness or persistence of flu symptoms

If even one of the conditions is not met, access to the site will not be allowed.

We ask you to carefully read the contents of this notice and to prepare the required self-declaration, aware of the possible consequences, including penalties, in the event of a false declaration.

We thank you for your cooperation.

The undersigned _____

DECLARES

- To have read, understood and accepted the above indications;
- To meet all the access requirements required;
- To undertake to update the relevant information at each access.
