Conditions for access to the Municipal Theater of Bucine (CoViD-19)

Taking in count measures for the management of the health emergency from Covid 19 in Italy, to access the site, in implementation of the emergency plan attached to the Risk Assessment Document, it is necessary to submit to the staff in charge a self-declaration stating that the conditions listed below are met:

- Has NOT had close contact, within the past 14 days, with persons with confirmed Corona Virus/Covid19 infection or swabbed for Covid-19 pending a result that is not a routine swab;
- DOES NOT have close contact with persons subjected by the Authorities to certified self-isolation measures related to the CoViD-19 emergency;
- DOES NOT have respiratory distress, flu-like symptoms, loss of taste/olfact; and;

If even one of the conditions is not met, you cannot be allowed access to the site.

We ask you to read carefully the content of this notice and to prepare the self-declaration required, aware of the possible consequences, even criminal, in case of false declaration.

We thank you for your collaboration.

The undersigned, (Surname and Name),

DECLARE

- That I have read, understood and accepted the contents of this document and that I meet all access requirements;
